Dear Congressman Bishop, Chairman Johnson and Ranking Member
Larson:

On behalf of the National Council of Social Security Management Associations (NCSSMA) and our members throughout the nation, I would like to thank you for your introduction and original cosponsorship of H.R. 6084, the *Improving Social Security's Service to Victims of Identity Theft Act*. We very much appreciate your leadership on this important legislation to ensure a measure that will not only benefit and protect the American public, but also ease the administrative burden on the hardworking employees of the Social Security Administration (SSA) by establishing a single point of contact for an identity theft case. H.R. 6084 is a commonsense solution to a growing problem.

NCSSMA is pleased to support H.R. 6084 as it reinforces NCSSMA's own efforts and initiatives to provide the best service to the American people, through the effective and efficient administration of SSA's programs. Millions of Americans fall victim to identity theft every year.

We believe this legislation will help identity theft victims work with a single point of contact at SSA to assist in resolving their identity theft case.

As an organization that is committed to improving management and program administration in SSA while advocating for an agency that remains customer focused with an emphasis on excellent public service, we commend you for your practical and timely solution to help identity theft victims. NCSSMA is pleased to offer our organization's support to the *Improving Social Security's Service to Victims of Identity Theft Act*.

Thank you again for your leadership. Please do not hesitate to contact me if you have any questions or if we can provide additional assistance.

Sincerely,
